

WALLA WALLA COUNTY

Community Development Department

310 W. Poplar, Suite 200 • Walla Walla, WA 99362-2865

Notice to Home Builders

June 30, 2008

Building Permit Submittal Documents

1. Site Plans: Pursuant to IRC Section 106.2 site plans shall be submitted with the construction documents drawn “.... to scale depicting the size and location of new construction and existing structures on the site, distances to lot lines.....” No larger than 11”x 17”.

Include in such site plans the location of “critical areas” which are defined as wetlands, aquifer recharge areas, fish and wildlife habitat areas, frequently flooded areas and geologically hazardous areas (steep slopes).

2. Effective immediately, Walla Walla County will no longer accept plans for a building permit application that contains any of the following or similarities:

- a) “Not for Construction”
- b) “Permit set only”
- c) Copy Right Infringement (red ink vs. other colors)
- d) Non-modified “stock plans” prepared for other states or countries

Plans for building permit application shall be complete and intended for construction.
