Re: Walla Walla County Regional SMP Shoreline Inventory, Task 5A

Jaime,

This afternoon The Watershed Company has placed a DVD in the mail to you and posted on their company ftp site the Preliminary List of Data Sources and a revised Draft Inventory Map Folio. As we have previously discussed, these SMP Task 5A materials are due to you today.

Please contact me if need assistance accessing the materials from The Watershed Company's ftp site or if you have not received the DVD shortly.

Sincerely,

Bill Stalzer  
Project Team Leader, Walla Walla County Regional SMP Updates
