Re: Walla Walla County Regional Shoreline Master Program, Task 9

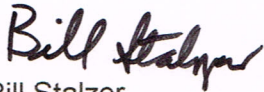

Jaime,

Attached are the following deliverables for the Walla Walla County regional shoreline master program update as required under the grant agreement:

- Task 9.1: Revised designations, policies, and regulations for each city and the county that address the final cumulative impacts analysis
- Task 9.2: Final cumulative impacts analysis for each city and the county
- Task 9.3: No net loss report for each city and the county
- Task 9.4: Updated Checklist for each city and the county

Please contact me if you have any questions about the enclosed materials.

Sincerely,

Bill Stalzer
Project Team Leader, Walla Walla Regional SMP Updates
