Re: Walla Walla County Regional Shoreline Master Program, Tasks 6, 7 and 8

Jaime,

Attached are the following deliverables for the Walla Walla County regional shoreline master program update as required under the grant agreement:

- Task 6.2: Second draft of general goals and policies and optional general regulations (Appendix A, Critical Area Regulations)
- Task 6.3: Second draft of environment designations and environment maps within shoreline jurisdiction
- Task 6.4: Second draft of environment-specific shoreline use and modification policies, regulations, and standards
- Task 6.5: Second draft of administrative provisions
- Task 6.6: An updated checklist
- Task 7: Draft Preliminary Cumulative Impact Analysis of the SMP
- Task 8: Final Shoreline Restoration Plan

Please contact me if you have any questions about the enclosed materials.

Sincerely,

Bill Stalzer
