Dear Property Owner:

In response to your interest in filing an appeal regarding the Assessor’s valuation of your property in Walla Walla County, I am enclosing the following:

1) Instruction Sheet – Petition to the County Board of Equalization
2) Petition Form – Taxpayer Petition to the Walla Walla County Board of Equalization for Review of Real Property Valuation Determination (each parcel of property needs a separate Petition Form)
3) Information Brochure from Department of Revenue – Appealing Your Property Assessment to the County Board of Equalization

The first step in appealing your property assessment should be to visit the County Assessor’s Office and review your appraisal, to verify that square footage, number of bedrooms, type of heat, etc., are correct. You may ask the appraiser to review sale prices of similar properties. If an error has been made, the appraiser may make a change in value.

If you are unable to complete the first step or cannot reach an agreement with the appraiser, you may appeal to the Walla Walla County Board of Equalization by filing a Taxpayer Petition.

To file a petition (according to RCW 84.40.038 & WAC 458-14-056), you must submit the petition and documentary evidence to:

WALLA WALLA COUNTY BOARD OF EQUALIZATION
Walla Walla County Public Health and Legislative Building
314 West Main St. Room #203
PO Box 1506
Walla Walla, WA 99362

Petitions must be filed according to the deadlines listed below:

The appeal must be mailed by July 1st of the assessment year or within 30 days of the mailing of the change of value notice from the Assessor, whichever is later.

If the last day to file falls on a weekend or holiday, the deadline for filing is the next business day. A petition filed by mail shall be postmarked no later than the filing deadline.

Upon receipt of your properly completed and timely filed petition and documentary evidence, a date and time will be scheduled for the Board of Equalization to hear your appeal. If filing after July 1, a copy of your value change notice must be included with your appeal packet. Note: If the copy of the value change notice is not submitted with your appeal, you will be contacted by our office and will have seven (7) days to return the value change notice to complete your appeal. A notice will be mailed in advance of the date and time the Board will hear your appeal.

If you plan to submit documentary evidence (appraisals, maps, pictures, letters) which support your estimate of value, the Board will require you to do this twenty-one (21) days before the scheduled hearing date.

The Board of Equalization must presume that the Assessor’s determination of value for your property is correct. To contest the value, the burden of proof is on the taxpayer. According to WAC 458-14-046, the taxpayer must provide clear, cogent and convincing evidence that shows the valuation is erroneous. To protect your appeal rights for the current assessment year, however, you must file a protective appeal with the Board of Equalization within deadlines listed above.

If I can be of further assistance, please call me at (509) 524-2514 or email me at jmunns@co.walla-walla.wa.us. My office hours are Monday through Friday, 9:00 a.m. to 12:00 p.m. and 1:00 p.m. to 5:00 p.m.

Sincerely,

REV 64 0075c (3/27/18)
Instructions for Petition to the County Board of Equalization
for Review of Real Property Valuation Determination

All information in boxes 1 – 5 must be completed (if applicable). The petition must be signed and dated. Without this information, your Petition for Review will not be considered complete.

1. Your account or parcel number appears on your determination notice, value change notice, and tax statement. If you are appealing multiple parcels, you must submit separate petitions for each parcel.

2. Self-explanatory.

3. You may appeal the assessed value of the property. The assessed value is based on the true and fair value of the property. Check the box if you are requesting the information the assessor used to value the property.

Appeal of Assessed Value

To successfully appeal the Assessed Value of the property, you must show by clear, cogent, and convincing evidence the value established by the assessor is incorrect. In Section 4, you must list the reasons why you believe the Assessed Value is incorrect.

4. List the specific reasons for the appeal. Statements that simply indicate the assessor’s valuation is too high or the amount of tax is excessive are not sufficient (WAC 458-14-056). The reasons must specifically indicate why you believe the assessed value does not represent the true and fair value of the property.

Note any other issues you believe are relevant to the value of your property. If your appeal concerns a comparison of your assessment relative to assessments of other properties, the Board may determine if all of the properties are assessed at their true and fair value. The Board is limited to determining the market value of property. Therefore, any adjustment to the assessed value of your property or other properties must be based on evidence of the true and fair value of the property.

5. Indicate if you are acting under a written Power of Attorney. This section need not be completed if the agent is an attorney-at-law.

Sign and date the petition.

6.–10. Self-explanatory.

Additional information to support your estimate of value may be provided either with this petition or prior to twenty-one business days before the hearing. You must also provide a copy of any additional information to the assessor.

The petition must be filed or postmarked by July 1 of the current assessment year or 30 days after the date of mailing of the change of value or other determination notice (up to 60 days in those counties that the Legislative Authority has extended the deadline). If filing after July 1, a copy of the determination notice must be attached to this petition.

One original signed petition and one copy (including all attachments) should be filed with the County Board of Equalization in the county where the property is located.
